

Thank You For Helping Me Bloom!

Seed Packet Template

How to make a seed packet:

1. Colour in the packet and write your name on the back
2. Cut around the outside and fold along the lines
3. Glue the tabs and stick the panels together to make a packet.
4. Fill the packet with flower seeds, write what they are on the back, and close the top with some tape or a sticker!
5. Give it to a special woman in your life to say 'Thank You'!
